

## Free Computer and Network Mini-Audit:

### What would you like to achieve?

- SPAM free email?
- Email on the move via Blackberry or Windows Mobile?
- The ability to monitor and / or restrict Internet Activity?
- The ability to work from home or any location?
- Something else?

A member of the Eitex team will perform a free mini audit to allow you to find the best way of implementing any one or any combination of the above solutions.

### Eitex is a company you can trust!

As part of our audit we will present you with an easy to understand 'snap shot' of your network which will be presented in a clear and concise way. This information puts you in control and enables you to see the steps necessary with regards to implementing your desired solution /s.

### Who is Eitex?

We are a friendly IT company who pride ourselves on customer service and customer satisfaction. We are Certified Microsoft and HP Partners have been established for over 11 years. We deal primarily with small to medium sized businesses in South and West Yorkshire. For more information on the products and services we offer please visit our website at [www.eitex.co.uk](http://www.eitex.co.uk)
